Dear Mr. Percival:

This is in response to your letter requesting an extension to the start of the construction date of December 28, 2018.

After evaluation of the information you have supplied, the date by which construction must commence has been extended to June 28, 2020. Permit Number 141097 shall be automatically void if construction is not begun by June 28, 2020. **An additional extension may only be granted should the specific requirements of Title 30 Texas Administrative Code §116.120(b) be satisfied.**

You are reminded that these facilities must be in compliance with all rules and regulations of the Texas Commission on Environmental Quality (TCEQ) and of the U.S. Environmental Protection Agency at all times.

All preconstruction authorizations (including authorization for emissions of greenhouse gases, if applicable) should be obtained prior to start of construction.
